Dear Ms. Marti,

I speak on behalf of the entire Department of Radiology in expressing my appreciation to you for your Grand Rounds presentation on February 4, 2010 entitled "Radiological Considerations for Clinical Decision Making in the Conservative Management of Scoliosis – a Physical Therapist's Perspective". We truly appreciate your willingness to take the time to share your knowledge and expertise with our department. Your presentation was very well received and appreciated by all.

The feedback we received about your presentation was very positive.

Again, thank you very much for taking the time for sharing your expertise with the Department of Radiology. I look forward to continued productive collaborations between yourself and our faculty.

Sincerely,

Thomas M. Grist, MD, FACR
John H. Juhl Professor of Radiology,
Medical Physics and Bioengineering
Chair, Department of Radiology
